

RESOLUTION NO. 03-8

A RESOLUTION ESTABLISHING RATES

WHEREAS, District Ordinance No. 03-1 authorizes the District Board to establish a rate schedule for sewer usage by resolution; and

WHEREAS, the Board is currently reorganizing its rate schedules and associated regulations.

NOW, THEREFORE, be it resolved by the District Board of the LaPine Special Sewer District:

Section 1. User Rates. User rates per EDU, as authorized to be established by resolution of the District Board by Section 5.6 of Ordinance No. 03-1, are hereby set at \$23.09 per EDU for nonresidential users and \$20.09 per EDU for residential users.

Section 2. EDU Ownership. EDUs may only be purchased, owned, or reduced for a particular property by that property's owner, not its tenant. Once an EDU is purchased and use begins, it may be retained by that owner, as long as the appropriate monthly service fee is paid, even if the EDU is not being used. An EDU may only be used on the property for which it was purchased; it is not transferable to another property.

BE IT FURTHER RESOLVED that any existing resolution of the District which conflicts with the rates established herein or any other provision herein is hereby repealed.

BE IT FURTHER RESOLVED that existing conditions are such that this resolution is necessary for the immediate preservation of public peace, health, and safety, and an emergency exists. This resolution shall therefore take

effect and be in full force and effect when signed by the President of the Board of Directors.
